TEACHER'S GUIDE

Ten mini Escape Room przygotowałam dla mojej córki, składa się z pięciu krótkich zadań, bardzo skromnych graficznie tak, aby były jak najtańsze w przygotowaniu. KLUCZ:

Hi Olga,

I am having a great holiday this year. I am with my parents in Spain. It is really amazing.

When we landed yesterday, it was **HOT** and **SUNNY**, about 35 degrees. Not like in Poland, where it was **RAINY** all the time and wet with puddles everywhere. I had to take off my **SWEATSHIRT** because I was too hot even in my T-shirt.

First, we took a **TAXI** to our **HOTEL**, we unpacked our **SUITCASES** and we took quick showers. It was **COOL** in our apartment because the air-conditioning was on. Then we had a quick lunch at the **RESTAURANT** and next we went sightseeing in the city.

I was really impressed with the **BRIDGE** that went over the river. It was made of brick and had two **TOWERS** on both sides of the river, we went over it to visit the **CATHEDRAL**. It looked really huge from the outside but inside I felt really small. There were religious paintings and sculptures, all of them beautiful. In front of the building there was a very tall **COLUMN** with a **STATUE** on top. It was of the king that built the **CASTLE** we went to visit next. The weather became a bit **WINDY** so it was a bit better to continue our walk. A soft breeze blew here and there.

We got tired so mum suggested having a quick snack on the grass in the **PARK**. There was a small pond and we sat there enjoying the view of the **MUSEUM** we were going to visit next. In there I saw an exhibition of medieval armour and weapons. I am a fan of bows, spears and shields, so you can imagine how I liked all the exhibits.

Unfortunately, my little sister was with us and we had to go to the **ZOO** to see all those animals. To my surprise I liked what I saw. Somebody had an idea to put two **PYRAMIDS** where the camels lived to imitate Egypt and a small oasis with a palm tree and a spring coming out of a rock. It looked **FANTASTIC**.

In the evening we were very tired so we decided to sit on our balcony and enjoy the view of the city but suddenly it got a bit **FOGGY** and we couldn't see much of the sights.

Today we have lots of other buildings to see, so I'll let you know tomorrow.
