

Yesterday I 1. \_ a really bad day. I 2. \_ up too late. I 3. \_ a quick shower and 4. \_ into my school uniform. I 5. \_ downstairs and 6. \_ some cereal with milk for breakfast. I quickly 7. \_ my schoolbag because I 8. \_ about it completely.

I 9. \_ really late so I 10. \_ for the bus. Luckily, I was on time and I 11. \_ Katie on the bus. We 12. \_ about our weekend and our science project.

Mum 13. \_ me to buy some food for dinner so at the butcher's I 14. \_ some meat and a pasta at the supermarket.

When I 15. \_ back home I was really happy. But when I 16. \_ the shopping bag the pasta was not there. I 17. \_ my mum to tell her about the pasta. She was angry. And I was hungry.

In the evening I 18. \_ to do my homework but the lights went out and mum told me to go to bed early. But I couldn't fall asleep. I 19. \_ the mosquito buzzing, then my mum 20. \_ a vase in the living room and my sister 21. \_ because she got scared.
