OPIS OBRAZKA

This picture was 1. **taken** a few years ago when my parents, my little 2. **sister** Amy and I visited our uncle in Australia. 3. **One** day we drove to a nearby town and stopped at a little 4. **local** shop to buy some snacks. I was waiting outside with Amy while my parents 5. **were** shopping. After a few minutes I saw something amazing. Three emus appeared 6. **out** of nowhere and started approaching us. When Amy saw them she got 7. **scared** and hid behind me. They might not look big to you in the picture, but when you see them in real life they seem huge. They reminded me 8. **of** the dinosaurs I saw in *Jurassic Park*. I did not want Amy to panic so I put on a brave face and 9. **pretended** I was not afraid at all, I started 10. **joking** that they were just chickens which failed to stop 11. **growing**, but I was shaking inside. Fortunately, the emus were not aggressive, they were just curious and wanted to have a closer look at us. They spent a minute observing us and left. My uncle 12. **told** me later that they belonged to one of the local farmers and had 13. **escaped** through an open gate. They were absolutely 14. **harmless** and I needn't have panicked. I wish I had 15. **known** that, I would have asked him to 16. **take** more photos, not just this one.
