

FUTURE PERFECT CONTINUOUS

In 2021	she	will	have	been	teaching	English	for twenty years.
Next month	I	will	have	been	studying	Chinese	for one year.
How long	will	you	have	been	reading	this book	by noon?
How long	will	she	have	been	working	here	this year?
Next Monday	I	won't	have	been	living	with my parents	for one month.
This evening	she	won't	have	been	speaking	to me	for a week.
